Technology.

As per our phone conversation please find enclosed a copy of
Operation: Frog MS-DOS 5.25". I have called someone in our
technical department to discuss the self running demo and or
running the program with some black out areas. I am
expecting an answer soon.

If you have any questions please feel free to call. I'll be
waiting to here what you think of the program and if you
would like to install for sure in the spring.

Also enclosed is a copy of our catalog for your information.
