To: Gardner C. Hendrie
Joseph F. Cashen

From: James S. Davis

Date: November 3, 1988

Since the November 4th meeting is not the "annual" meeting at which we elect officers, directors, etc. and approve the budget, it is procedurally much simpler. Also, it is only once a year at the annual meeting where we go through the ritual of first having a meeting of the members of the corporation, adjourning, and reconvening as a meeting of the board of directors.

Accordingly, the only formal points tomorrow would be:

1. Call meeting to order and ascertain from the clerk whether there is a quorum present.

2. Ask for a motion to approve the minutes of the last meeting of the board of directors and for the motion to be seconded. (This could come initially to get it out of the way, or just before adjournment.)

3. Prior to the adjournment, repeat the schedule of the next year's meetings. I am presently aware of a meeting on February 24, 1989 at 10:00 a.m. and the next annual meeting on June 16, 1989 at 9:00 a.m.

4. Ask for a motion to adjourn (and a second to the motion).

At these meetings votes have normally not been taken to approve reports of the executive committee, finance committee, etc., although sometimes an issue arises on which a vote is taken to approve or commend a particular action or approach: for example, a vote in February which commended the analysis of the financial situation relating to DEC.

J.S.D.

Gardner,

10/26

The numbers you asked for are attached.

Also, I've included a chart describing visitation from November 1984 to present broken down by month (rows) and category (columns), with percentages. I can explain further if this isn't clear.
